TRIVIA QUESTION: What year was the first Corvette with triple carburation? (Answer on page 9.)

Message from the President

Greetings to all,

We made it through another summer of Corvette events. The Corvette shows slowed down in September, but we still had three shows, one each on the first three weekends of the month. We had members attending the Westport show the Saturday of Labor Day weekend and members at the TCC show in Enumclaw the following weekend. I haven't heard of any members going over the mountains to the Tri-Cities show that same weekend this year.

We had two events in September. We had a Jacket Night at Casa Mia and an overnight trip to North Cascades National Park, Winthrop, Sun Mountain Lodge, and Leavenworth.

There will be a Jacket Night on October 18 at a location TBD and a possible Saturday Drive date TBD based on weather.

The Board Meeting is this Thursday, October 12, dinner at 6:00, meeting at 7:00, and will be at Ben Dew's Clubhouse Grill. All officers and community chairs are strongly encouraged to attend, and all members are welcome.

The General Meeting is on Saturday, October 14 at 7:00 at the Elks. The Elks will be open for dinner and drinks before the meeting. This meeting is the second voting day and there will be no absentee ballots this year because of changes in our by-laws. So please come and vote for the 2024 officers and the Man and Women (NeeWee for you old timers) of the Year Awards. The ballots will be counted at the November Board Meeting and the results will be announced at the November General Meeting except the Man and Women of the Year which will be announced at the Holiday Gala/December General Meeting on December 16. Save that date.

I'm looking forward to your continued support this year in all these activities and continue to make this a successful year for Classical Glass.

Len Tucker

President, Classical Glass Corvette Club

TRIVIA QUESTION ANSWER: The first production Corvette with triple carburetion was the very first Corvette in 1953.

Community Service

I can't believe it is fall. Where did the summer go? I know, we had a great summer doing several weekend and day drives with the club and of course Jacket Night Dinners. Thank you Len and Elvira for arranging most of the drives and dinners. Also thank you to Bruce and Diane for putting on the weekend drive to McMinnville, OR. Last but certainly not least a big thank you to Larry and Laural for opening up their beautiful home for our annual summer picnic. All of these events made for a great summer and one that went way too fast.

In August, we had our meeting at the picnic; therefore, the Zebra Box was not passed around. Our September 9th meeting was at Brank's Barbecue. We could not have our regular raffle; therefore, Laural put on a 50/50 raffle with 1/2 of the money to go to Family Renewal Shelter and the winner getting the other 1/2. The total amount collected for the raffle was \$241.00. The lucky winner was Rick and Cheri Austin. They donated their portion of the raffle (\$121.00) to the Family Renewal Shelter; therefore, making the total donation to FRS \$241.00. Thank you so much Rick and Cherie for your generosity.

I don't like to think about it, but, Christmas is just around the corner. With that being said, I will be putting up the Christmas Wish List sign-up sheets for The Family Renewal Shelter and the Soldiers Home at our General Meeting on the 7th. Please come prepared to select a family member or a soldier and help give them a Merry Christmas.

Thank you to everyone for your generosity whether it be monetary or by volunteering.

Yours,

Candy Bundy

Special Thank You to Our Sponsors!

Classical Glass Corvette Club would like to thank the following who have donated to support our club! Our sponsor's donations help us achieve our goals to provide donations and scholarships to our sponsored charities: Family Renewal Shelter, Washington Soldiers Home and Colony, and Clover Park Technical College's Automotive Department through their endowment fund.

Please consider becoming a sponsor today!
