TRIVIA QUESTION: What code name was used for the development of the first Corvette? (Answer on page 11.)

Message from the President

We are starting off the year with good attendance at our General Meetings. I'm looking forward to seeing our meeting attendance to continue into March as our General Meeting goes on the road to Brank's BBQ, 13701 24th St E, Sumner, WA. The Elks is having a major entertainment event that evening which will not only be occupying the ballroom, but also the lounge and the parking lot.

It's March, so our dues are now past due. Please see Conrad at the meeting or write him a nice letter and include a check and make his day.

We are still looking for a committee chair or co-chairs for our 5 Star. There is always a lot of support for the Chair, but we need to get the ball rolling and get a venue before it gets too late. If you would like to volunteer for this position or any of the other open positions, please contact VP Dennis.

The Board Meeting is this Thursday; March 9, dinner at 6:00, meeting at 7:00, and will be at Ben Dew's Club House Grill. All officers and community chairs are strongly encouraged to attend, and all members are welcome.

The General Meeting is on March 11, 6:00 PM for dinner 7:00 PM for the meeting, and finished by 8:00 PM. It will be held at Brank's BBQ at 13701 24th St E, Sumner. Come and join us and bring your guests and friends.

And there will be a Jacket Night on March 15, 6:00 PM. I don't have the site arranged yet, but I will by the meeting.

I'm looking forward to all your support throughout this year.

Photos from our Past

Let me start by saying that I had volunteered to make copies of our photos from Shutterfly because they are no longer going to store our photos. I must say it has been a privilege to do this. I have come across so many photos that made me laugh and sigh. People we have lost and good times that we have experienced. Even if I didn't attend each event, I felt the comradery portrayed in each photo. Here are just a few I want to share.

Wenatchee Apple Blossom Parade

See if you can remember some of our comrades. And how many club members does it take to change a license plate? And of course when we travel we eat.

5 Star at Old Le May

Do you recognize anyone?

2007 Spearfish SD Corvette Show

You can just see Mount Rushmore in the background and see our friends from the past.

2009 Caravan

This was such a fun trip. We went as a small group but did meet up time to time with the caravan.

2011 Wet Weekend Seaside OR

Yes, this is Dennis Petersen flying a kite. And again, we travel we eat. This is at Camp 18.

2008 wet Weekend

We have fun wherever we go together as a group, and yes, as you can see, everyone is welcome.

Yours truly,

Elvira Tucker

TRIVIA QUESTION ANSWER: Project Opel.

Community Service

Hard to believe that February is almost gone. It seems like the months just keep flying by faster and faster.

I am happy to report that at our February 11th meeting we collected \$200.00 in the Zebra Box. Thank you to everyone at the meeting for your kindness and generosity.

At the meeting in February, I read a thank you note from one of the recipients of the Christmas Wish List. We also received a thank you from Keith Galbraith of the Family Renewal Shelter for the monetary donations we delivered to them. I have asked Cheri to put them in the newsletter so that all members of the club can read and enjoy. We are very much appreciated by the Family Renewal Shelter for our donations.

I also want to share a thank you from a family that received help from the shelter and what it meant to her family. This note was posted in the FRS newsletter.

Thanks from a Family Renewal Shelter client

To the Family Renewal Shelter and donors, I want to say thank you for always being there for my children and me as we have navigated our new lives this past year. There have been times when we were in need of items or advice on where to turn and you've always answered and listened to our needs. My family and I have come a long way since this time a year ago when I first made a phone call to ask for help in leaving our domestic violence situation. I don't believe I could have gone this far without you, your help and prayers. You and all the kind people and organizations that have donated are all very much appreciated by myself and many others. Your hard work and dedication does not go unnoticed. So, from my family to yours, THANK YOU!

As you can see from the above, our donations help to make a difference. Thank you again to our members.

Thank you for your support.

Candy Bundy

Community Service Chair

January 10, 2023

Classical Glass Corvette Club
P.O. Box 11208
Tacoma, WA 98411

Dear Friends,

I've been thinking a lot about you lately. I thought about what it takes to decide to support a charity like Family Renewal Shelter as you have.

You see, without you and other neighbors like you, there would be no Family Renewal Shelter. There would be none of our safe houses or food or clothing or other things people need. There wouldn't be funds to provide transportation to a safe new community so that the victims of extreme abuse can begin again with new hope. Words fail to express my deepest gratitude to you for your amazing generosity.

To our long-term donors, many of whom have been an important part of this work for decades, thank you. Thank you also for promoting this mission to others in the community. Because of word-of-mouth, new supporters are added. And for those of you who are new donors, thank you and welcome. We look forward to getting to know you.

2023 is our 37th year. During that time thousands of women, children and men have received practical compassion in their hour of greatest need. This has been transformational for them. There are many survivors who have said that coming to our shelter saved their lives.

Thanks also to the members of churches, businesses, service organizations and groups of friends whose hard work to raise private donations has kept us healthy and growing. I am also very grateful for our wonderful volunteers and staff who sacrifice to serve the vulnerable.

My wish today is that you receive these words of encouragement and our appreciation straight from our hearts to yours. What you do is no small task and is helping us to start strong in 2023. Thank you, thank you, thank you dear friends for your gifts of \$250.00 (Club donation), \$437.00 (5 star & 5 star 50/50), \$300.00 (cash) and Christmas gifts for 3 families in December of 2022. God bless you as we partner together to minister with His help.

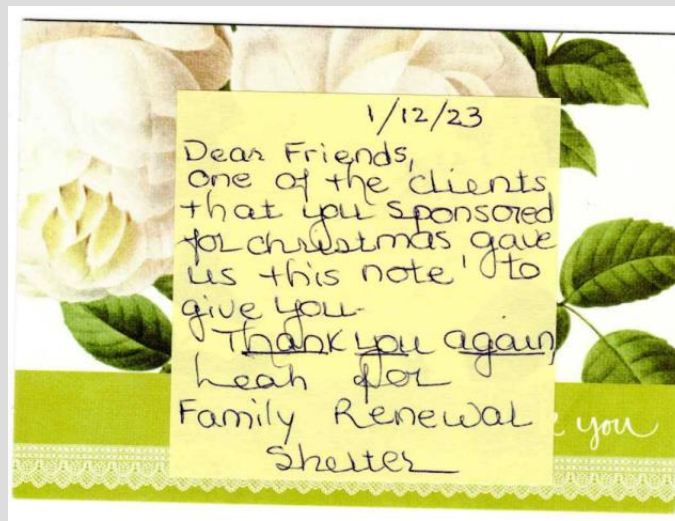

Very gratefully and sincerely,

Keith Galbraith / Executive Director

*Thank you all for
all you have done
and continue to do!*

Happy New Year.

JOSHUA

From my family to you - Thank-you!
your willingness to go out of your way to help
my family for Christmas meant more to me
than you will ever know. It came at a time
where I needed help the most. I was sick with
Covid for the entirety of December and as a
result, unable to work. Because of your kindness,
my children were able to have arguably the best
Christmas they've ever had. My heart is still smiling!
I am humbled and grateful.

God Bless,
- Dani ♡

Special Thank You to Our Sponsors!

Classical Glass Corvette Club would like to thank the following who have donated to support our club! Our sponsor's donations help us achieve our goals to provide donations and scholarships to our sponsored charities: Family Renewal Shelter, Washington Soldiers Home and Colony, and Clover Park Technical College's Automotive Department through their endowment fund.

Please consider becoming a sponsor today!
