TRIVIA QUESTION: What year did a Corvette first race at the 24 Hours of Le Mans? (Answer on page 11.)

Message from the President

Welcome to spring. Time to get the soap and bucket out and get those Vettes ready for Car Show season. The first show I see for this year's car show season in the Northwest is the Big Sky Corvette Show in Helena, MT on May 26 – 29. You'll also need that Vette shined up for the Rhody Parade in Port Townsend on May 20.

If you haven't paid your dues for the year, please see Conrad at the meeting or write him a nice letter and include a check and make his day.

As Events Chair, I'm working on an overnight trip through the mountains for April 22 & 23. Save those dates. It may depend on what the forecasted early April rain and snow storms do to the mountain passes, but I'm hoping the highways will be cleared by the end of the month. I attended the Tacoma Corvette Club open house on March 11 and picked up fliers from the Corvette Clubs that attended. I will have them posted in our events calendar (hopefully) by the April General Meeting.

We had a nice and brief meeting at Brank's BBQ last month and it was well attended. Brank's always welcomes us, and they enjoy seeing the Corvettes. We'll have a Jacket Night or another General Meeting there later this year when it's warm and the sun is shining so the actual Vette turn out is better.

The Board Meeting is this Thursday; April 6, dinner at 6:00, meeting at 7:00, and will be at Ben Dew's Club House Grill. All officers and community chairs are strongly encouraged to attend, and all members are welcome.

The General Meeting is on April 8, 7:00 PM, and will be at the Elks. The lounge will be open for food and liquid refreshments before the meeting. Come and join us and bring your guests and friends.

We had a nice Jacket Night in March at the Great American Casino in Lakewood. They are always happy to see us and treat us nicely. There will be a Jacket Night on April 12, 6:00 PM. I don't have the site arranged yet, but I will before the meeting. Save the date.

I'm looking forward to all your support throughout this year.

TRIVIA QUESTION ANSWER: Bob Grossman and John Fitch raced the #3 C1 Corvette for the first time at Le Mans in 1960, winning the GT 5.0-liter class and coming in 8th overall.

Community Service

Welcome to April! The Mariners won their home opener; and, I hope it is the start of many more wins to come.

At the meeting in February, we collected \$190.00 in the Zebra Box. I want to express my thanks to everyone for being so generous. I delivered the money to Family Renewal Shelter. We received a thank you note from Leah Galbraith for the \$190.00 plus the \$200.00 that was collected in January.

The note, in her words, said the following:

“Dear Classical Glass friends, what a great blessing and encouragement you are! Thank you so much for your support through the years. We continue, with your help, to work with many moms and children who come to us in such turmoil. We appreciate your compassion for them more than we can say. God bless you all.

Gratefully, Leah for everyone at Family Renewal Shelter”.

We had our March 11th meeting at Brank's and I completely forgot to bring the Zebra Box and to ask for any donations. My apologies to Family Renewal Shelter.

We, also, received a letter from Clover Park Technical College Foundation. I am going to ask Cheri to put that letter in as an addition to this article. I think it is important for all the club members to read what is happening with the endowment. We did not contribute to the endowment this year. I truly hope that if we have a 5 Star event this year and if we raise enough money we can make a donation to the Technical College. Since we are a car club, I think it is important to support the automotive department of the college. As you will notice from the letter, they still have Dennis Beaulieu as the contact. I will get in touch with them to make sure they change the contact information.

I would like to thank all of you again for supporting our philanthropic organizations.

Thank you for your support.

Dear Dennis;

Amazing things are happening at Clover Park thanks to donors like you!

Below is the financial activity report for your endowed fund. Beyond the specific use of the income from each of our endowed funds, the total endowment is critical to our ability to plan long term and manage the ups and downs of the economy. It provides a steady and significant source of income to support our scholarship program. Thank you for being a part of that support!

Your endowment has helped contribute toward providing \$1,234,742 in student scholarships since 2005. We hope you take pride in what we have been able to accomplish with your support.

Sincerely,

Janet Holm
 Executive Director
