TRIVIA QUESTION ANSWER: Two years after Jan & Dean created the hit song "Dead Man's Curve," Jan was in a devastating car accident, hitting a parked truck with his silver 1966 Corvette. The wreck didn't occur on the actual stretch of road known as Dead Man's Curve, as is often claimed; however, it did take place very close to that location.

Community Service

I am doing this article on the 25th of March; therefore, HAPPY EASTER and HAPPY SPRING. It has been so nice having a few beautiful sunny days in March and I am looking forward to even more. However, you know the old saying "April Showers bring May Flowers". Let's just hope the showers are few and far between. Well let's get to the real reason for writing this article.

At the General Meeting on Saturday the 9th of March, we collected \$107.00 in the Zebra Box for the Family Renewal Shelter. I will be delivering the donation to them this week. We, also, received their thank you letter dated February 21, 2024 for our January donation of \$155.00 and our February donation of \$185.00. I am sending the letter to Cheri, as an attachment, to be included in the newsletter.

I will be out of town for our meeting on April 13th. I have asked Elvira if she will help me out in collecting the donations. Gary and I will miss seeing all of you; but, we will be in Georgia.

Thank you everyone for your continued support of the Family Renewal Shelter with your donations at our General Meeting. They truly appreciate all we do for them.

Dear Friends,

We appreciate your gifts of \$155.00 in January and \$185.00 in February of 2024. You are really making a difference in the lives of those in our community who are in mortal danger.

Back in 1986 God placed Family Renewal Shelter in Pierce County which had and continues to have the highest per capita rates of domestic violence and domestic violence homicide in Washington State. Those grim statistics represent precious people who often need our specific help to escape intimate partners whose cruelty would threaten their happiness, peace, and future.

It has been an incredible journey filled with thousands of women, children and men who have been able to escape unbelievable circumstances and start over.

Through the years we have heard many comments like:

"I can finally take a deep breath." "I am actually able to sleep through the night."
"My children have stopped having nightmares." "Thank you for helping us find a new life!"

We at Family Renewal Shelter thank you for helping us to provide roads to freedom for so many in 2023 which was a positive but financially difficult year.

We are now in the early days of 2024 and are grateful for your ongoing support as families in crisis call and arrive at our doors while someone who wants to do them harm is trying to find them.

We are privileged to represent your compassion that is so vital in providing this refuge from the storm and look forward to working together with you to show the Lord's love to our neighbors this year.

Sincerely,

Keith + all
