## Message from the President

It's July and we're well into Corvette Season and have had some really nice weather. The Club has already participated in our traditional double 4<sup>th</sup> of July parade day finishing with a barbeque lunch hosted by Jan and Rick Landry at their home in Eatonville.

It looks like a busy month with several Corvette shows happening this month as well as two CGCC driving events. Bruce and Diane have planned a nice two-day drive to the Evergreen Aviation & Space Museum with an overnight stay at Spirit Mountain Casino. We also have another CGCC traditional parade this month, the Waterland Parade in Des Moines.

New business for this and next month will be accepting nominations for the 2024 officers with election voting done at the September and October general meetings.

The Board Meeting is this Thursday, July 6, dinner at 6:00, meeting at 7:00, and will be at Ben Dew's Club House Grill. All officers and community chairs are strongly encouraged to attend, and all members are welcome.

The General Meeting is on Saturday, July 8, at 7:00 PM, and will be at the Elks. The lounge will be open for food and liquid refreshments before the meeting. Come and join us and bring your guests and friends.

We had a nice Jacket Night in June at the Azteca in Tacoma. They were happy to see us and treated us nicely. We had a separate space and good Mexican food.

There will be a Jacket Night on July 12, at 6:00 PM with the location to be determined before the General Meeting. Save the date.

I appreciate so far this year and am looking forward to your support throughout the rest of the year.

# It Pays to Take a Chance!

On May 31<sup>st</sup>, an e-mail went out to the club with a long-shot request for a car to show for a young man's 13<sup>th</sup> birthday. I didn't pay it too much mind at first, but then it began to wiggle around in my head. I mentioned it to Dinah, and she said I should call the person in the email. So I did. She was a very nice lady, grandmother to the birthday boy, who was trying to organize the surprise for the next day, June 1<sup>st</sup>, his birthday. Last year she arranged an outing at Marymount with the Model T club. This year they learned his favorite car is the Corvette. He is homeschooled so there wasn't any problem there. I was able to step away from work for a little while, so we agreed to meet at Lakewood Towne Center after lunch. Well, he was very surprised to say the least, and a little shy. He and his brothers and sisters all had fun looking around and sitting in the car. I took him for a short ride around the parking lot behind Target. We even got a short tire squeal after punching it. I brought some small gifts with me I had at the house from past raffle wins and car show goody bags. His family was very appreciative, and I think he had a good time. Sometimes it pays to take a chance and make a request.

Cheers!

Conrad

## Community Service

### HIGH LIGHT: WASHINGTON SOLDIERS HOME

Washington Soldiers Home and Colony is a skilled nursing and assisted living facility that was established in 1891. The home was built for Washington state veterans.

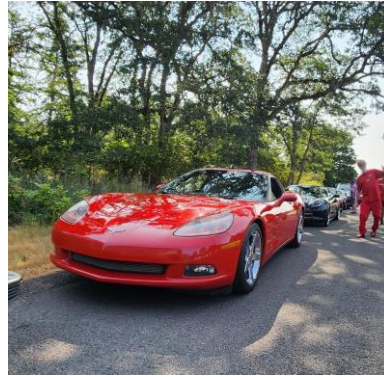

Today, it provides a wide range of services, including assisted and independent living, long-term care Medicaid-certified 24-hour nursing care, medical benefits and pharmacy and rehabilitation services. It additionally offers physical and occupational therapies, recreational activities, social services, hospice, transportation, meals and religious programs. It also offers laundries, beauty salons and barbershops and fishing ponds. The home is operated by the Washington State Department of Veterans Affairs and is located in Orting, Washington.

We have been a supporter of the Soldiers Home for 20 plus years. One of our favorite ways of donating is at Christmas. Terry Nisbet, the Recreation Therapy Manager and Volunteer Coordinator, gives us a list of 15 to 20 soldiers and their Christmas Wish Lists. Our members get to pick a veteran and play secret Santa. Our yearly Five Star Car Show is a fundraiser for the Soldiers Home.

In the past, we had our annual club picnic at the Soldiers Home and the veterans that were able were invited to have lunch with us and check out the Corvettes. We would do a little Corvette parade around the grounds so the veterans that were unable to come to the picnic could catch a glimpse of our cars.

We are happy and proud to be a supporter of the Washington Soldiers Home. **THANK YOU FOR YOUR SERVICE!**
